Messages from the Robins Room

- If you are out and about this weekend, please can you collect some autumn treasures to bring into preschool. We will use these outside and inside so the more the better! I can't wait to see what interesting things the children find.
- Please can we remind you to bring in named puddle suits and wellies as we spend a lot of time outside throughout the day.

Thank you
Kelly

Can you help?

This term, the children in after school club have loved playing board games. If you have any games at home that you no longer play with, we would kindly take donations.
